Rules and Regulations continued

17. DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage cause.

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

18. **Not for Competition** entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered
19. **Soft Crates:** The Kennel Club has drawn attention to the potential health and safety implications concerning the use of Soft Crates at shows as in its view, they do not offer sufficient protection to dogs. Soft Crates left unattended at the ringside are a potential hazard particularly when occupied by large breeds, and it has been known for dogs to become distressed and move Soft Crates along the floor and also escape. Soft Crates should only be used when there is sufficient room available and when they can be safely secured.
20. **Cage identification:** each Exhibitor is responsible for providing their own crate or cage identification an should note that the original Exhibitor/Bench number card, as provided by the Show Society, must not be used for this purpose.

Right to Refuse Entries: Exhibitors/Competitors are respectfully reminded that Show Societies have the right under Kennel Club Regulations to refuse an entry

WARNING - PLEASE NOTE: PHOTOGRAPHY & VIDEO RIGHTS

The SCGB would like to bring the regulation on photography and filming to the attention of Exhibitors, Trade Stands, Press and Visitors.

It is a condition of all those attending the event that no filming or other form of recording may be taken or made at the venue without express written permission of the organisers. The taking of photographs in the venue for sale or reward is strictly prohibited except with the written permission of the Organisers. Press accredited photographers are provided with permission to take photographs ONLY for use in newspapers, magazines and internet sites - this is for news purposes only.

There is no objection to the general public taking photographs or video film of general views of the Show, provided that these are for private use only. Specific dogs may be photographed only with the approval of the exhibitor.

No photography or filming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of classes or after the Challenge Certificate is awarded. Filming and flash photography is allowed from outside the rings at all times unless the operation of the camera is actually affecting exhibits. However, if a powerful flash unit is used or it is clear that exhibits are being affected, a ring steward or the judge is empowered to stop the person concerned. Cinematograph or Television equipment may only be used at the Show if a permit has been issued by the Organisers.

5. The use of cooking stoves in the proximity of the tenting and benching areas is forbidden except as authorised by the Show Management.

11. **Best Puppy in Show** (if scheduled)
 - a) Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same Show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show. Similarly, if the Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Show. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show. Best Puppy in Show must be selected from puppies which have been judged and which are unbeaten by any other puppy.
 - b) **Withdrawal from Other Competition**

Puppies which become eligible for Best Puppy in Show may be withdrawn from all other competition, other than Breed Classes prior to the competition for Best Puppy in Show as appropriate, in order to remain unbeaten. A puppy beaten in competition for Best Puppy in Show may subsequently be exhibited in all competition for which it was previously eligible. The dog declared Best Puppy in Show, however, must not compete in any subsequent competition.
 - c) **Proviso**

For the purpose of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to one breed will not be considered to be a beaten dog.

Reserve Best in Show must be selected from the Best Opposite Sex and the Reserve Best of Sex to the exhibit declared Best in Show.
 - The dogs declared Best in Show and Reserve Best in Show must not compete in any subsequent competition.
 - b) **Withdrawal from Other Competition**

Dogs which become eligible for Best in Show maybe withdrawn from all other competition, other than breed classes prior to the competition for Best in Show as appropriate in order to remain unbeaten. A dog beaten in competition for Best in Show may subsequently be exhibited in all competition for which it was previously eligible. The dogs declared Best in Show and Reserve Best in Show however, must not compete in any subsequent competition.
 - c) **Proviso**

For the purposes of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to a single breed, will not be considered to be beaten dogs.
13. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not completed on time, and then only with the special permission of the Show Management.
14. Exhibitors must not pick up dogs by their tails and leads when lifting them. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
15. No modifications will be made to the schedule except by permission of the General Committee of The Kennel Club, which will be followed by advertisement in the Canine press wherever possible.
16. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
17. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.

THE SCHNAUZER CLUB OF GREAT BRITAIN

Promoting and safeguarding the interests of Schnauzers, Miniature Schnauzers and Giant Schnauzers since 1929

A brief summary of our Judges:

Dave Killilea (Redwitch) bought a Bulldog in the late 1960s, bred a champion in his first litter, and has judged them ever since. Since then, he has had top winners in various breeds, but says his biggest achievement was "winning Reserve BIS at Crufts in 1999 with one of our homebred Akitas, CH / Nor CH Redwitch Dancin' in the Dark." He and his wife, Jenny, have been top UK Akita breeders for 20 years, exporting Champions worldwide. They have bred the top-winning Akitas, all time, in five countries, including the United States.

The Killilea's Redwitch kennel was given the Dog World Award of Excellence for outstanding contributions to the world of dogs; in March, Dave received the Outstanding Achievement award at the Pawscars ceremony (the UK dog world's equivalent to the Oscars). Mr Killilea was first approved to judge Akitas in the States in 1998, and is today approved for several other breeds.

Kirk Moss (Riesenheim) has owned and shown dogs since the age of 15. He started with Dobes in 1985 and has owned Giants since 1991. He made up his first champion in 1995 followed by his first home-bred champion in 1996.

Kirk has won the Top Breeder Award six times since 2006 and he says he has been lucky enough to handle several other top winning Giants.

He also handled Mary Moore's Schnauzer, CH Odivane Laird of the Manor to his title. He is approved to award CCs in all three sizes and last judged Schnauzers in 2012.

Bo Skalin (Hassan Hills) has owned Giant Schnauzers since 1977 and Miniature Schnauzers from 1984. He was mainly interested and involved in Working Trials and Shows, but the first Hassan Hill's litter arrived in 1985. Over the next 20 years Hassan Hills has bred over 50 Giant and Miniature Schnauzers Champions, gaining over 100 titles around the world. The kennel was awarded a special plaque by the Swedish Schnauzer-Pinscher Club and the Hamilton plaque from the Swedish Kennel Club (SKK).

Today, together with his wife Natalja, he breeds Miniature Schnauzers, Rough Collies, Shetland Sheepdogs and Chihuahuas under Skabona affix.

Bo got his judge's license in 1995, specialising in Schnauzers and Pinschers. Over the years of education and judging he was confirmed as an All-Breeds Judge in 2011. He has judged on all continents at all level of shows, including the European and World Dog shows and has awarded CCs at the UK's Giant Schnauzer Club. Bo is a Swedish Kennel Club Board member, President of the SKK Show Committee and President of Swedish Schnauzer-Pinscher Club.

Archie Fletcher (Arbey) Archie Fletcher comes from a farming family but decided not to follow the family tradition. He & Betty started off in dogs some 50 years ago with two Airedales and their first Mini arrived in 1968. Their first Champion was crowned in 1975 (CH Short And Sweet from Deansgate) and has been followed by many more.

His first judging appointment was at an Open Show (Worksop) in the late '70's. He first awarded CCs (for both Minis & Schnauzers) at WELKS in 1984 and his first Giant appointment, at the NSC, in 1992. He has since judged the breeds several times including Crufts (all 3 sizes) has awarded CCs at the MSC, NSC and the SCGB. Archie has also judged in both Denmark and Australia and is a Vice-President of the MSC.
