ABOUT OUR JUDGE Mr Kent Olsen (Greypix) (Norway)

My name is Kent Olsen and I'm honored to come and judge your show in November.

First thing first .. dog person in my heart and schnauzers are my love. I'm soon 56 and when not doing doggie-stuff, I work within the Airline industry (SAS) and together with my spouse Baard Snevoll we currently have 7 mini's at home, all living the spoiled life a miniature should ...

My first meeting with schnauzers was back in 1984 where I met and fell in love with a Giant schnauzer named Riesengardens Ricky, this bitch was related to Guldmandbuktens Wenke of Nenevale .. (a well know bitch in the UK)

However .. it was a miniature bitch that I met on my first dog show in 85 that made me love this breed .. by coincident puppies by her was born in June 86 and I found that add. Without knowing that this was the same bitch (and she was a daughter of Eastwight Sea Flint) I got my first Miniature schnauzer in Aug 86. A moment that still is remembered as it was yesterday.

My second miniature was not a planned one either .. but when I met her, I was in love and the breeder offered me her cause of tail-ban here in 88. This girl also had a pedigree that I didn't understand much of at that time. She was a Rimmick and the Castilla breeding and plenty of important UK dogs in her pedigree at that time.

As I tried to figure out more of these lines, Crufts was a good start for me at age 17 .. and from that year, I have not missed many March trips to Crufts. (I did love Earls Court though).

As a breeder we have bred miniatures since 2000 (with our prefix from 2004) under Greypix's. Until now we have bred 50+ champions with more than 100 champions titles and we have also had European Winners, World Winners and one of the few Europeans that groomed and showed our American import to Best of Winners at Montgomery Miniature specialty and at the famous Westminster. Crufts has also given us some amazing times when showing. Always placed well with the dogs we have brought over. BOB in 2020 was a highlight.

We also had of fair share of winner-titles in Scandinavia. From 2000 until today we have only have 2 years we haven't had at least one of the Scandinavian titles among our dogs or breeding.

Throughout the 39 years in miniatures, it has always been a pleasure to walk into a miniature schnauzer, either on the street, at some one's home or at a show. The breed is so eye-catching and that's why I would never consider any other breed.

I really look forward to meet and greet the miniatures in UK in November (owners as well) and are excited to do this show!!

Again, thank you for having a Scandinavian to your show!

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm

Please take care of your dog

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.

THE ATTENTION OF ALL EXHIBITORS IS DRAWN TO THE KENNEL CLUB REGULATION RE FOULING WHICH READS

Any owner or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club Licensed Show within the environs of that event including Car & Caravan Parks and approaches

You are asked to take special care of the Venue Car Park, approaches and exercise areas

WELFARE OF DOGS

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations

USE OF ELECTRICAL EQUIPMENT AT SHOWS

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

SECURITY AT SHOWS

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.
